

EAZI
VOICE CALL 
For SMS Speaking

Eazi-VoiceCall is Bulk Voice Messaging service through which pre-recorded voice messages (in any language) can be sent to any mobile or landline phone users instantly and helps in effective mass communication. It helps to broadcast your voice messages to hundreds or thousands of people making your task easy and simple. The VoiceCall call charge is applicable only for the delivered messages which is a real value for money spent. The status of delivery can be monitored accurately and the response of the recipient can also be tracked/filtered.

EAZI **VOICE CALL**

For SMS Speaking

It is an effective way of communication to reach your target audience and is more reliable than other services. Only VoiceCall credit charge is applicable and set-up/software cost is not required to invest. The bulk contact numbers can be managed with a simple user interface provided (without any cost).

Eazi-VoiceCall is very ideal to promote your business, market your products, political voice broadcasting campaign, event promotion, meeting intimation, notices, offers, contest etc.
